## Luthier Guitar Show 26-27 oct 2024

The organization of the Luthier Guitar Show wants to make sure that your stay in Madrid during the duration of the event is as pleasant as possible.

We have reached an agreement with the Hotel Puerta de Toledo, a hotel strategically located in the Puerta de Toledo, just over five minutes by car from the Nave de Terneras venue where the Show will take place and close to the center of Madrid as well.

Exhibitors to the Luthier Guitar Show will enjoy a **15% discount on room fares** (subject to availability) from October 25 to 28.

To use the discount just enter the hotel's website:

<https://www.hotelpuertadetoledo.com>

and enter the following promotional code when making the reservation: **LUTHIERS**

**Please note that there is no specific room reservation for the show's exhibitors.**

We've consulted local guides and took note of those hotels and hostels that are better valued and that have good communication with the venue. With this information we've made this guide. (Single room prices per night stay)
